White Angel - Racing for a Cause

The team raced in support of FLY & HELP, a foundation dedicated to building schools in developing countries.

Their goal: to use the international stage of endurance racing to promote access to education.

The white livery, angel wings, and the message "for FLY & HELP" were more than symbolic. They represented a real commitment: to raise awareness and contribute directly to the construction of new schools.

Through this model, Spark - together with you - is honoured to make a small contribution to that mission.

For every piece sold, €10 will be donated to the FLY & HELP foundation to support school-building projects in developing countries.

•€5 is included in the model's price

•€5 is matched by Spark
